

Welcome to the Regional Dashboard

The dashboard contains information about State and Local accounts. The first section is topline numbers on these accounts followed by several visualizations that go into more detail. All the tiles can be filters using the [Date Range](#), [State](#), [Entity Type](#), or [Region](#) filters

Where are my donors and entities?

These two charts are designed to show where the donors and entities are located. Specifically, the top 15 cities where donors are donating from as well as a heatmap with a percentage breakdown.
